## **How we store your Personal Data**

### **Security**

We take appropriate measures to ensure that all personal data is kept secure including security measures to prevent personal data from being accidentally lost, or used or accessed in an unauthorised way. We limit access to your personal data to those who have a genuine business need to know it. Those processing your information will do so only in an authorised manner and are subject to a duty of confidentiality.

We also have procedures in place to deal with any suspected data security breach. We will notify you and any applicable regulator of a suspected data security breach where We are legally required to do so.

Unfortunately, the transmission of information via the internet is not completely secure. Although We will do Our best to protect your personal data, We cannot guarantee the security of your data transmitted through any online means, therefore any transmission remains at your own risk.

### **Where We store your Personal Data**

Where we store your personal data in our own systems, it is stored on our secure servers located at our site in Greece.

The data that We collect from you and process using LinkedIn's and Facebook Services may be transferred to, and stored at, a destination outside the European Economic Area ("EEA"). It may also be processed by staff operating outside the EEA who work for Us or for one of our suppliers. Such staff maybe engaged in, among other things, the fulfilment of your orders, the processing of your payment details and the provision of support services. By submitting your personal data, you agree to this transfer, storing or processing.

If you would like further information please contact Us (see 'Contact' below).

### **How long we keep your Personal Data**

We will hold all the data for 12 months.

In all cases, your personal information will be deleted earlier on one of the following occurrences:

- deletion of your personal information by you (or by another person engaged by the Customer); or
- receipt of a written request by you (or another person engaged by the Customer) to us.

### **Your rights**

Under the [General Data Protection Regulation](#) you have a number of important rights free of charge.

In summary, those include rights to:

- access to your personal data and to certain other supplementary information that this Privacy Notice is already designed to address
- require Us to correct any mistakes in your information which We hold
- require the erasure of personal data concerning you in certain situations
- receive the personal data concerning you which you have provided to Us, in a structured, commonly used and machine-readable format and have the right to transmit those data to a third party in certain situations
- object at any time to processing of personal data concerning you for direct marketing
- object to decisions being taken by automated means which produce legal effects concerning you or similarly significantly affect you
- object in certain other situations to our continued processing of your personal data
- otherwise restrict our processing of your personal data in certain circumstances
- claim compensation for damages caused by our breach of any data protection laws.

If you would like to exercise any of those rights, please:

- contact us using our Contact details below
- let Us have enough information to identify you,
- let Us have proof of your identity and address, and
- let Us know the information to which your request relates.

### **How to complain**

We hope that We can resolve any query or concern you raise about Our use of your information.

The [General Data Protection Regulation](#) also gives you right to lodge a complaint with a supervisory authority, in particular in the European Union (or European Economic Area) state where you work, normally live or where any alleged infringement of data protection laws occurred. The supervisory authority in Greece is the Hellenic Data Protection Authority who may be contacted at <https://eservices.dpa.gr/> or email: [eservices@dpa.gr](mailto:eservices@dpa.gr)
